Because it's a mens, mens, mens, mens world. Or something like that…

TILL TERROR!

Although I've been buying *MensWorld* for a few years now, I still get a bit nervous about going to the shop and buying my copy. Usually it's just the regular newsagent bloke behind the counter, and he'll make his normal comment about 'Something for the weekend' and I'll do a fake laugh and bugger off. I bet he looks through all the porn mags when there's no-one in the shop anyway!

However, every now and again he'll have a member of staff on helping him out, and it's this happening that I get really worked up about. Honestly, as soon as I walk through the door and see a new face behind the counter my heart starts pounding, and if I can't quickly see *MensWorld* I get into a bit of a panic! I'm sure the newbies mess around with them for a laugh.

It happened the other week with the Julia Crown issue. I eventually found it up there on the top-shelf after a bit of embarrassed rummaging, and I couldn't even look the middle-aged frump who served me in the eye. I must've been blushing and everything. I'd like to know if any other readers suffer from this problem!

Safe to say that the magazine was worth the bother, and I particularly enjoyed Amandine and the gorgeous blonde towards the back, Cindy I think she was called.

So keep up the good work and please do me a favour – tell all the newsagents that sell your magazine to always keep it in the same place on the shelf!
Craig, Watford

Thanks for your kind words about Volume 22 Issue 9 Craig, and we're sorry to hear you've been having a few issues with your newsagent, but I'm afraid we can't do anything about individual shelf positioning. Naturally, we'd like the magazine to be illuminated by neon lights and have a big arrow pointing to it, but we've looked into the idea and it would just be too expensive.

The way we see it is that buying MensWorld is nothing to be embarrassed about. In fact, we think it's something to be proud of. So next time, stomach in, chest out, look the shopkeeper in the eye and just buy the bloody thing! Either that or take out a subscription…

CROWNING GLORY

I've been buying *MensWorld* for about four years now, mostly because I think out of all the magazines up there on the top-shelf it features the best blend of women of all different shapes and sizes.

Volume 22 Issue 9 was pretty much the perfect example, with Jelena Jensen, a girl famous for having big tits and a really curvy figure, rubbing shoulders with Julia Crown, one of the cutest little models I've ever seen! Just for the record, I've wanked myself plenty over both.

You see, unlike many of the readers who send letters in to *MensWorld*, I don't have a particular girl or type of girl that I would like you to feature. Indeed, I'm writing to say that I want you to keep the variety coming, as I never know from one day to the next what kind of bird turns me on. Honestly, it seriously can change just like that, and I love the fact that with *MensWorld* you never know what type you're going to get from one babe to the next.

Big-titted, pert-titted, fake-titted… Big bums, perky bums, or those arse-cheeks that look like they could crack a walnut… American, European, British… Please keep featuring them all in the magazine, and in return I'll keep buying it!
Lee, Towcester

Cheers for your comments Lee, and for sharing your wanking habits with us! We do try to vary the girls as much as possible here at MensWorld, as we appreciate that there's a lot of different tastes out there when in comes to women, and that these tastes can change from one week to the next.

BLONDE BOMBSHELLS!

Just a short letter to say thanks for the incredible blonde-packed issue that was *MensWorld* Volume 22 Issue 9. From Shawna Lenee, to Julia Crown and right the way through to the girl at the end of the magazine, Cindy, I thought they were three of the most beautiful models I've ever seen in the magazine. In fact, just thinking about Shawna has got my cock twitching again! Sorry, I don't think your readers really needed to know about that...

Guy, Stirling

And we agree Guy. Three amazing blondes, and we didn't need to know about your twitching cock!

JENAVEVE

PHOTOGRAPHY: SCOTT ST. JAMES

Sexy Latina Jenaveve Jolie only got into porn by accident, after going to a shoot thinking it was a mainstream modelling job when in reality something much more explicit was on the agenda.

To her credit, the Californian beauty carried on regardless, and only a few months later she was getting lezzy in movies such as *Tits Ahoy* and *No Man's Land Latin Edition* and embarking on an incredibly successful career that has thus far seen Jenaveve star in over 300 filthy flicks.

Amazing really, and we can't imagine many budding models would react the same way if they found themselves in Ms Jolie's position. I mean, picture a girl turning up to a shoot thinking she's going to be modelling cardigans for the new Grattan catalogue when suddenly the photographer asks her to strip off and start playing with her pussy. Our guess is that you wouldn't see most girls for dust.

Thankfully, Jenaveve took it all in her stride, and she's gone on to become one of the most popular models in the world of porn with her fantastic body and Latina looks. Mainstream's loss is definitely our gain…

ANTIQUE LOADSHOW!

Recently, I inherited a load of antique furniture. It's not really my style and so I contacted a local antiques dealer, a bloke named Vincent. My flatmate Nuala and I expected him to be quite old – not a man in his thirties, six foot and trim, with bleach-blond hair. Nuala flirted with him, and I joined in – only fair as I'd invited him over!

When he photographed my loveseat for his inventory, he asked us to sit on it for another shot. "How much action has this seen over the years?" Nuala wondered, and Vincent dared us to show it some more. Nuala kissed me, eager to impress, and I gave it back, my tongue sliding in her mouth as I grabbed her tits. "Go for it…" groaned Vincent.

"Put the camera down and get your arse over here immediately," she said, and he obeyed. She wasn't shy about posing for him, she just had a better use for him! I already knew she was cock-crazed, but seeing her pounce on his meat the second he got naked left me open-mouthed.

One moment it was in his trousers, the next it was buried in her throat. She was blowing him ravenously, fingers clawing at his arse cheeks. His hands were all over her boobs, and so I fit in where I could, nuzzling her neck with my hand fondling her crotch.

I was too much of a distraction, so Vincent lay on the couch and told her to ride him instead. She lowered herself down on his cock, grinding on him. Now, as I cupped her tits and tweaked her nipples, her cunt tightened to trap his shaft. Nuala's a good mate and didn't forget me, sneaking a hand back to play with my pussy. But when I began to moan, Vincent suddenly realized where he really wanted his prick to be…

He was subtle about switching, using his fingers on her clit, till she was cumming, then licking them, sounding like she had the sweetest juices he'd ever sampled.

"Come up here and let me suck your cunt," he said, and so she slid forward, striping his body with fuck-cream. Then she swung around, settling over his face and looking toward his feet. His prick was standing up rigid, and I felt my mouth water as I looked at it. I strung out the anticipation, wanking it as I straddled his legs. Then I took it in my cunt, sitting right down on it, Nuala riding his tongue as he let out a groan.

I kissed her, my tongue thrusting in as Vincent's cock filled my hole, and she sucked on it as he ate out her twat. We nailed him hard at both ends – I heard the wooden seat creak as we went faster, but it held steady, so I bowed my head to suck on Nuala's tits. She ground so hard on Vincent's face he had to get sneaky to take a breath in, sliding a couple fingers in her bumhole and pushing her clear of his mouth. Then he craned up to suck her clit, and had her cumming hard, the wetness splashing from her pussy.

With such a good fuck-show to watch, I didn't mind frigging my own clit. The pounding cock got me off faster, and as my pussy clenched around it, Vincent

came too, my hole brimming over. As I got up, Nuala used her palm and mouth to catch the spunk, swallowing as much as she could take. I thought I'd gone beyond cumming again, but then yet another climax built and sent a hot flash through me.

Vincent gave me a pretty good deal on the furniture – even though the fabric of the seat was stained with sweat and spunk. He said he'd just restore it, or tell the customer it was from royalty fucking on it or something. He wasn't serious about that, of course, but his offer to lend us his 'expertise' any time we need it is bona fide!

TAT'S ENTERTAINMENT!

I manage a print shop and, for certain customers, a sense of humour works better than kissing their arse! One client is a tattooed gil who calls herself Ophelia – she likes my flirty remarks and has an answer for most of them.

We print posters and flyers for the club nights she runs, and one day she collected a batch promoting a fetish event. I asked her what was the most twisted thing she'd ever done sexually – and she sniped right back, "Fucking a big, stupid idiot like you!"

She looked so sexy in a little corset top and plaid skirt, with knee-high lace-up sandals. And calling me a big, stupid idiot was fair comment. But she was stupid, too – stupid enough to fuck me!

I took her out back, to our meeting room, and we made out on the black leather couch. I freed her tits from her top – it still pushed them up and out – and saw she had her nipples pierced as well as her tongue. As my tongue flicked against her steel rings, she twitched and writhed underneath me. I stroked down over her flat belly, and clamped my open hand over her fanny.

All there was between my palm and her pussy was the thinnest layer of black lace and silk, and she circled her hips, rubbing up against me. No piercings down there, but she was shaved and wet – what more can a man want?

I fondled her pussy lips, so soft and full, then pulled my hand away and told her to strip for me. She did, right down to her sandals and jewellery, then came over for some dick fun. As she jerked me off with both hands, her hair fell forward. It was long and dark, and she swished and whipped it over my stiff meat. It was soft and silky, and tickled and tormented the engorged crown of my dick.

She was all-over perfect but her arse just clinched the prize – not fat but full and round. As we made out standing up, my hands were all over it, even when she rubbed her metal-studded boobs up

MIA

PHOTOGRAPHY:
SCOTT WARD

She's blonde, she's hot, and she's got a cracking pair of tits, but there was one thing that nagged at us right the way through this shoot – why does Mia's fancy kitchen look like it's never been used?

"Because I don't cook," she told us with a giggle after we'd wrapped for the day. "I've maybe used the microwave a couple of times to heat up a TV dinner, and I might have a can of soup every now and again, but I don't think I've ever switched on the oven – I wouldn't know how!"

She seemed to think this was bloody hilarious, but we thought it was all rather worrying. I mean, what's the world coming to when a woman can't rustle up a tasty meal?

"This isn't, like, the Victorian era," she replied, still laughing away. "If I want to eat then I'll phone for a takeaway or get a boyfriend to take me out for a meal. You Brit guys are so living in the past – it's hilarious!"

Suitably chastened, we carried on packing up while Mia looked on, still obviously highly amused by our conversation.

"Do you fellas expect your girlfriends to cook for you all the time?" she continued in a tone that could only be described as 'mocking'. "And then iron your underpants and run you a bath like your mummies used to do?"

Mia was in stitches by now, but we couldn't really see what was so funny. She must be one of those feminists.

BATMAN & KNOBBIN

She always wanted to be Catwoman, and now our US porn reporter Emm
Edwards gets to sample the cream on the set of Axel Braun's hilarious a
horny Batman parody. Purrr-fect...

AXEL BRAUN PRESENTS
BATMAN
XXX
A PORN PARODY
LEXI BELLE
DALE DABONE
JAMES DEEN
THE MOST ANTICIPATED XXX PARODY OF THE YEAR!

Batman XXX: A Porn Parody
Starring: Tori Black, Lexi Belle, Alexis Texas, Kimberly Kane, Andy San Dimas, Syren Sexton, Dale DaBone, James Deen, Evan Stone, Randy Spears, Levi Cash, Alec Knight, Ron Jeremy.
Directed By: Axel Braun.
Available From: Axel Braun. Productions/Vivid Entertainment Group.

Even a bat has a twat!

The best little Batman in Texas!

Holy Hardcore Batman! This is the general sentiment of jolly merriment shared on the set of director Axel Braun's most highly anticipated parody project of the year, *Batman XXX: A Porn Parody*. For this incredible undertaking, Braun has chosen to spoof the campy 1960's television classic, as opposed to the more dark and ominous versions of late. He's even managed to develop a live streaming video webcast, so that thousands of fans can be a part of the action every step of the way.

With an incredibly witty script, stellar costuming, the crisp directing that Braun is acclaimed for, and an award-worthy cast of industry elite, the porn community would be hard pressed to find a comedic equivalent in the porn parody genre. It's quality from end to end, with loads of Bat-cum in between!

The movie begins at Wayne Manor, where Bruce Wayne and Dick Grayson are busy playing a heated game of chess. As Kimberly Kane, Bruce's aristocratic fiancée, bids the dynamic duo adieu, she is heinously jumped in the alleyway by the Riddler (Evan Stone). Taking her to his dilapidated underground jail, Kimberly is held as his captive. "This bed looks awfully uncomfortable... don't you have better accommodations?" she pleads, as a spark flashes across the Riddler's mask. Poking his cock through the bars, he conjures up a compromise that will please both.

Dangling his dick in front of her like a carrot, Kimberly, a hot-blooded female, has no choice but to succumb to the yummy meat that is bobbing before her. Throwing caution to the wind, Kimberly rushes over to the bars and wraps her red lips around his joint. "Don't forget my balls!" Evan says, never breaking character. Kimberly slurping hard, Evan reaches his hands through the restraints and grabs chunks of her dark hair. With a pretty mouth that is now flush against his stomach, Kimberly's saliva begins to pool and puddle down her chest and around the concrete floor. "Do you fucking like that?" Kimberly mouths, as Evan whacks his cock against the side of her cheeks to signal his approval.

Inviting himself inside, Evan grabs Kimberly by the waist and throws her across the colourful bed. With her legs pried open like a vise, Evan tucks his cock between her meaty curtains and begins to plough. Raking her fingers into her silk stockings, Kimberly creates red nail trails along the inside curve of her fleshy thighs. "So fucking good. So fucking good!" she chants, as her clit button begins to plump up like a ballpark frank!

Tori shows us her cat nips!

We'd love to give this cat the cream!

“Let's see her ass. Transition into doggie,” Braun interjects in a sleek Italian accent, with his hands clinched against the high-tech monitor. Evan takes his direction well and flips Kimberly over. With her awesome blossom in full bloom, Evan continues to fuck Kimberly into submission, even pounding her round before splashing his gravy across her gape!

Meanwhile, Commissioner Gordon and Chief O'Hara have received notice of Kimberly's kidnapping and notify Batman at once. Pressing a button on a bronze bust, the bookcase behind Bruce Wayne's desk opens to reveal two bat poles. Once back into frame, the caped crusaders, Batman (Dale DaBone) and Robin (James Deen), slide down the pole in full superhero regalia and jump in their Batmobile to go rescue Kimberly. While doing the infamous ‘bat climb’, James causes a riot on set with his delivery of, “Holy gluteus maximus Batman!” This bit of comic relief is a well-timed addition to a set already popping with energy.

Continuing on, Batman enters a hip discothèque while Robin agrees to stay behind. Immediately entranced by Alexis Texas' curvy body and her Jackie O-inspired hairdo, Batman strikes up a conversation with her and agrees to dance the legendary Batusi. “You rock a pretty mean cape, Batman!” Alexis jokes, as Batman quickly realizes he's been drugged and is rendered powerless by the sexy damsel.

Before handing Batman off to the Riddler, Alexis has a little fun of her own by jumping on his lap in cowgirl position. With a hypnotically swaying ass in full jiggle, Alexis starts the engines on her caboose. “Oh my God!” Dale shrieks, as Alexis' double bubble proves to be too much to handle, even for an experienced superhero!

With ample hardcore coverage and plenty of squish, Dale really proves his talent as a performer when hammering into Alexis in a face-down-ass-up doggie squat. “Harder!” Alexis shouts, thrusting herself backward to get a better connection to the bat bone.

Like a great slut, she polishes his knob between positions and is always eager to jump back on the stick for another go-around. Under his breath, Braun interjects, “Alexis Texas is so flawless that no matter which way you put the camera, you cannot take a bad shot of her.” Indeed! As soon as he finishes his sentiment, Dale is found splashing his milky blast across her body, proving Braun's admirable claim… you can't take a bad shot of Alexis Texas!

As Batman's disappearance becomes known, Batgirl (Lexi Belle) joins Robin in his quest of retrieving Batman and returning Kimberly home safely. As the two junior superheroes climb the walls in search of clues, they stumble across a meeting that has Joker (Randy Spears) and Catwoman (Tori Black) striking up a dubious deal and a sinister plot to destroy Batman. And yes, Randy plays the Joker perfectly, even down to the signature mustache that Cesar Romero, the original Joker, was known for.

Rejecting Joker's sexual advances, Catwoman leaves Joker alone in his lair to fuck around with his two sexy molls. “Would you like a massage, Joker?” Andy San Dimas smirks, while Syren Sexton continues, “Perhaps a full-body rubdown?” Unable to resist their girlish charms, Randy grabs both bitches by the scruffs of their necks and power plugs them across his groin. “You suck my cock and you lick my balls,” Randy directs, as each girl commits her mouth to pieces of his man parts.

In what becomes a deliciously wet tongue bath, Andy and Syren do their part to make things sloppy before competing for his cock. After a brilliant tug-of-war session, Andy wins out. Jumping on his lap in reverse cowgirl, she begins to get an aerobic workout by pumping her pussy over his pole. With freshly sprung titties rocking across her petite frame, Andy looks dynamite. Syren also makes solid use of

herself by licking up the sex drippings that are oozing out from both connected crotches. “You both taste so damn delicious,” the English muffin moans, as their fuck butter rolls off her chin and covers her store bought titties.

Yanking Andy off with force, Syren later gets her turn to ride the horse when she bends over to take a pounding in standing doggie. To properly ensure that Syren is being ravaged from top to bottom, Andy flicks her tongue across her boobs and squishes her tits together. “Oh baby, that feels so good,” Syren sighs, as Randy sets up both starlets to give them the royal treatment across their chests. “Stellar,” Braun applauds at the end of the scene. Blown away by their dedication to this project and their perspective roles, Braun is visibly overjoyed.

LEXI YANKS JAMES’ COCK OUT AND BEGINS TO SUCK LIKE A CHAMP

All the while, Robin and Batgirl have been watching the Joker’s titillating threesome unfold and are getting quite turned on. Stumbling on a pile of debris and landing on Robin’s lap, Batgirl jokes, “Is that a batarang in your pocket, or are you happy to see me!”

With a raging hard-on screaming to be released from the confines of his tights, Lexi yanks James’ cock out and begins to suck like a champ. It doesn’t take long before the slobber begins to roll from her lips and collect in her naval. “I love sucking cock!” Lexi mouths, continuing to curve her candy tongue underneath his growing meat.

After scads of oral play are recorded, James slips behind Lexi in spoon and pulls her open like a wishbone. Securing her by the ankle, James goes in slowly in order to feel every inner curve of Lexi’s impressive cunt. His gentle bedside manner quickly gives way to the animal inside, as his humps become more evasive and fast. By now, Lexi is screaming her head off, causing the sound waves on the monitor to skyrocket!

For what seems like an entire afternoon, James has fun flipping Lexi around into every angle and configuration he can think of. Loving the raw action, Braun allows them to continue before letting James know that he can orgasm at any time. The pop comes several minutes later, with a pudding splatter across Lexi’s rounded rump. Kapow!

When the tag team finishes things up, they discover Batman tied up in the Joker’s lair. After a torrid fight, Batman and Robin are indebted to Catwoman and agree to fuck her to show their appreciation. “She may be evil, Robin, but she is quite attractive,” Batman reasons before jumping her bones.

Tori delivers one of the best performances of her career by plugging both cocks into the back of her throat. With enviable sexual style and through her award-winning acting, Tori goes for broke and leaves the cast, crew, and Braun spellbound. Doing her best work in doggie, with James plugging her puss, and Dale excavating her mouth, Tori is on fire! The action never wanes but instead heats up through incredible hardcore positions that showcase the true beauty and expertise of this porn superstar. The romp and movie ends with a double pop to the chops, and plenty of warm milk for this frisky kitty to lick up and play in.

As the scene comes to a close, a surprise plot is thrust back into action that renders the caped crusaders in dire straights. Can this be the end for the dynamic duo? Or will Batman and Robin untangle this mess? Learn the agonizing answer. Tune in next time… same Bat-XXX time, same Bat-XXX channel!

NATASHA

PHOTOGRAPHY: KEVIN MAKLIN

With an Argos where you can look at all the latest tellies, a Co-Op for scotch eggs and sausage rolls, Peacocks for cheap slacks, Superdrug for cologne, a roundabout where you can watch cars, and a Shell garage with a full range of Ginsters pasties, just the environs of *MensWorld* HQ alone are enough to make most men jealous.

Indeed, when we go on and tell them that we work in a shiny plush office block – complete with toilets, swivel chairs, carpeting and free tea and coffee making facilities – *and* get to look at beautiful girls like Natasha for large portions of our working day, they often go insane with envy.

But it's not all glamour and excitement here at *MensWorld*. I mean, you can't eat pastry products all the time, the security man in Peacocks gets suspicious if you go in every lunchtime, and browsing Argos can get dull after a while. Even meeting Natasha was no bed of roses.

Naturally, when she arrived our jaws hit the floor, and we were looking forward to a day of admiring her gorgeous body. But then she started ordering us around. 'Go and get me a Croissant', 'I want a skinny latte!', 'Fetch me a ciabatta!' Honestly, we were here, there and everywhere, and missed most of the shoot running errands.

Thankfully, the pictures still came out a treat, and at least we can admire them now back in our luxury offices, where today the air-con smells of eggs. Now come on, jealousy will get you nowhere…

NIKITA

PHOTOGRAPHY: RB KANE

Nikita is a name full of mystery and intrigue. It conjures up images of sexy spies from the Eastern Bloc and exotic Bond girls with powerful thighs.

The French movie *Nikita* tells the thrilling tale of a convict who is assigned a new identity and who becomes an assassin and femme fatale, and in his song about the Cold War, Elton John tells us about a beautiful East German border guard that he never gets to meet because he isn't allowed into the country.

Oh Nikita you will never know,
anything about my home,
I'll never know how good it feels to hold you,
Nikita I need you so!

With this in mind, it goes without saying that we were all highly excited at the prospect of meeting a real life Nikita, and we couldn't wait to see if she was the enigma that her name suggested she might be.

Perhaps she would be a frosty dominatrix that we'd have to thaw with our wit and charm, or a spy that would want to seduce us for top-secret information on the latest developments in the adult magazine industry.

Ultimately, our Nikita proved to be neither, although admittedly she does look every bit the sexy femme fatale. She can pump us for knowledge any time she pleases. It's just a pity we don't really have anything worth knowing.

MENSWORLD BRINGS TOGETHER TWO RIVALS FROM THE WORLD OF SHOWBIZ AND LETS THEM SLUG IT OUT OVER FIVE GRUELLING ROUNDS...

This Month: Kate Garraway vs Christine Bleakley

Pedigree

Garraway

Although she's better known for titting around on the GMTV couch with Ben Shephard, who, incidentally, had his personality amputated in 2004, and Andrew Castle, who lost tennis matches throughout the 90s, Kate Garraway used to be a proper news anchor and stuff for both the BBC and Sky. She's even reported on events such as the signing of the Good Friday Agreement, but managed to trash her 'serious' credentials completely in 2008 when she partnered Anton Du Bell-end on *Strictly Come Dancing*.

Bleakley

After learning the ropes with BBC Northern Ireland on shows we've never heard of such as *Belfast Citybeat*, Bleakley got her big break when she was selected to co-host *The One Show* alongside popular celebrity meat pie, Adrian Chiles. Her partnership with the loveable Brummie was a hit, and Bleakley's star soared. Like her rival, she's also appeared on *Strictly...*, and she recently signed a lucrative contract to present *GMTV*, relegating Garraway to Entertainment Editor in the process.

Round 1: Garraway might have the big-hitting newsreader past, but that didn't stop Bleakley nudging her off the *GMTV* couch, leading many to blame the 'Curse of Anton Du Beke' which did for *Hole In The Wall*.

Interviewing Technique

Garraway

A tendency to display cleavage means that Garraway's male interviewees always at least look interested, and most men are happy to spill the beans during a probing session with the flirtatious *GMTV* star. In a recent grilling of the green-fingered gardening guru Alan Titchmarsh, Garraway managed to persuade him to give away his secret formula for making marigolds bloom – Baby Bio, compost, urine and paprika.

Bleakley

With her beaming smile and banterish style, Bleakley has a knack of making an interview with a b-list celebrity seem more like a jovial chat down the local. She's also incredibly tactile, and rumours persist that she once touched Gyles Brandreth so high up on the thigh during a *One Show* feature on bell-ringing that he had to cover up the resulting erection with his handkerchief, which was apparently then seen to slowly rise into the air like Casper The Friendly Ghost.

Round 2: Bleakley's genial manner and roving hands have left many interviewees lost for words, but Garraway's clever use of chest to extract Titchmarsh trade secrets sees her fight back and steal the second.

Morning Glory?

Garraway

If you wake with the 'morn horn' then you could do a lot worse than tune in to GMTV and see if Garraway is flashing her baps in some low-cut creation or other. You might even catch one of her legendary upskirt 'mishaps', of which there are several displayed in all their glory on YouTube. With boobs and knickers frequently on display, it's no wonder Garraway is often referred to as 'the nation's favourite pre-work wank'.

Bleakley

Few would deny that Bleakley is a very attractive woman, but her exuberant manner and willingness to banter makes her more the kind of girl you'd like to meet in the pub for a game of darts and six pints of Guinness rather than empty your balls over. Even if you do muster a breakfast boner for Bleakley, the chances are that it will be swiftly punctured by the presence of Chiles, who will inevitably be sat next to her, mumbling about pies and West Bromwich Albion.

Round 3: Although perhaps not as attractive as Bleakley, shameless flirt Garraway isn't afraid to flash the flesh of a morning and awaken the cocks of Great Britain. Another round to the Garraway.

Early to Bed?

Garraway

With her 'party girl' personality, you can easily imagine Garraway downing cheap wine until the early hours and giddily dragging the nearest bloke back to her place for a quick bunk-up and a bacon butty before quickly fixing her slap and tottering onto the GMTV set, cackling and stinking of Asti Spumante and fags.

In reality, she's happily-married and in bed before 9pm most nights, leaving many to ponder how and when this kinky-looking strumpet gets her kicks. Our guess is bondage-swing, husband, peephole bra, thigh-length boots, just after *Eggheads*.

Bleakley

Who knows how the unsociable hours that her new job brings will affect Bleakley's romance with boyfriend Frank 'Lamps' Lampard. Will she be able to swap the evenings in fancy restaurants and the clubs of Mayfair for early nights and a 4am alarm call? And if Frank stays up late to play on his XBox, will it cause friction if she isn't on hand to make him his hot milk and tuck him in with his teddy, Frank Junior?

Round 4: Where Bleakley is untested, Garraway has adapted well to the strange hours that breakfast telly brings, perhaps even rescheduling kinky sex sessions to allow for those all-important early nights.

Bitchfight Potential

Garraway

Over the years, Garraway has had numerous rivalries and run-ins with her fellow GMTV presenters, most famously with Fiona Phillips, who once got Garraway in a headlock when she caught her pouring milk into her handbag 'for a laugh'.

With Garraway usurped by Bleakley, she'll no doubt be spoiling for a scrap before the year's out, and if the pair want to roll around on live TV, pulling each other's hair and tearing at one another's clothes, then that's fine by us.

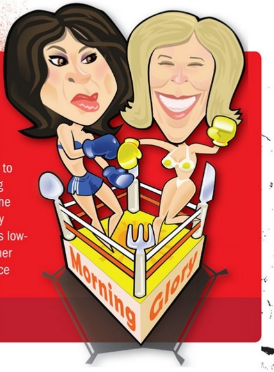
Bleakley

If you believe the tabloids, behind the famous Bleakley smile lies a ruthless career woman, and Garraway may have met her match. Prior to the inevitable bitchfight, there'll be catty comments in make-up, scowls in the ladies toilets, and it wouldn't be a surprise to read in *The Sun* at some point that Bleakley has been getting Chiles to hold Garraway down while she administers 'scrubs' and Chinese burns.

Round 5: While Garraway looks likely to resort to practical jokes, Bleakley's possible use of a partner-in-crime in Chiles hints that she will be the one to instigate physical conflict. Final round to Bleakley.

Result

With Garraway booted somewhat unceremoniously off the *GMTV* couch and into the lesser role of 'Entertainment Editor' by Christine 'the smiling assassin' Bleakley, this was always going to be a fiercely fought Foxy Boxing grudge match. Garraway wins the contest and gets her revenge by virtue of the fact that she wears low-cut tops, occasionally flashes her knickers at the camera and once 'seduced' Alan Titchmarsh.



ALEXIS

PHOTOGRAPHY: HICKS PHOTO

Finding offbeat things to write about these sexy American pornstars isn't always easy, as mostly they just want to talk about their latest movie releases and how much they enjoy having sex in front of a camera.

Not that this is really a problem, as the chances are that most readers don't even bother reading these little snippets of rambling – why would you when there's a gorgeous semi-clad girl right next to it? – but for the handful that do it's always nice to attempt to unearth some amusing fact or other about the star in question. Please don't ever accuse us of not trying.

Pouting blonde bombshell Alexis Ford here recently signed a contract with porn giants Adam and Eve, and she's understandably full of that at the moment, but we did manage to get a couple of nuggets on this sexy American starlet.

For one, her boyfriend left her because she was making wanking videos for the internet – that's right, he left her – and for two, she likes yoga and rock music.

Mmm, perhaps you are best concentrating on the pictures after all.

SIZED UP!

MAYBE HE'S WORRIED ABOUT THE SIZE OF HIS OWN TADGER, BUT WHEN OUR SPECIAL PORN CORRESPONDENT O-REAL GETS ACCESS TO A BUNCH OF WORLD CLASS PORN STARS, ALL HE CAN ASK THEM IS IF SIZE MATTERS...

Alexis eyeing up our very 'average' cocks!

ALEXIS TEXAS

From the mouths of babes: Alexis has been a fan favourite for a years now, truly making her mark with the release in 2008 of the remarkable *Alexis Texas Is Buttwoman*. Still, the abundance of hardcore fucking action she's been getting has not spoiled the sweet thing, and she still believes that size is not everything. "It's not about how big your cock is," she says. "It's nice, it feels great, but if you can fuck, you can fuck no matter how big or small your dick is. I'm not a size whore – I generally don't like huge cocks, but if I'm into a person it's not going to be as big of an issue. Obviously as you get more turned on you get wetter, so with a larger size you're not going to feel it hurting, or you're not thinking about it because you're so into the sex. It's all about the person."

Slam in the ham: While Alexis may not be size-obsessed, many of her fans are – obsessed with the size of her fabulous arse! See the bounteously-bootied babe get her share of dick in great titles like *Plump Round Rumps*, *Ass Addiction 3*, *What an Ass 6* and her peckerrific performance with Mark Wood in the blockbuster *The Office: A XXX Parody*.

ASHLYNN BROOKE

From the mouths of babes: Few starlets look so innocent, and yet get so dirty as Ashlynn Brooke. That's one of the many qualities that have made Ashlynn such a huge hit – with porn fans and *MensWorld* readers. Thankfully, the Oklahoma native is as sweet as she is sexy. "I don't discriminate," the busty blonde says. "I like all sizes, though I have found lately that I like them to be a little curved to the right. Big, small, fat, skinny, whatever – it doesn't matter, if there's a cock and he knows how to work it, we're going to have a good time. I like it all. I don't want to leave anyone out!"

Slam in the ham: The senior New Sensations contract girl appears in dozens of titles for NS and sister company Digital Sin, including *Big Pole Little Hole*, *My Plaything: Ashlynn Brooke*, the *Ashlynn Goes to College* series and her cocktacular performances in the first volume of *All About Ashlynn*, which features her in all five scenes!

BELLADONNA

From the mouths of babes: In the 'do not try this at home' category we present the one and only Belladonna, who took the opportunity to speak of her fascination with shoving a baseball bat into her backside. "Did you see the baseball bat scene?" she asks excitedly when the sport is mentioned. "Isn't that hot shit? I was in Prague and we were in some shop, and I saw this baseball bat, and I was like, 'That could fit inside me.' I get bored very easily, so I'm always looking for something different. I thought maybe I wanted to put a condom on it, but I was like, 'This is probably cleaner than most dicks I've had inside me.' It was fun. It's pretty interesting when you shove a baseball bat up your ass – it's not any pain at all. Because if you are the person putting it inside yourself, you feel everything; now, if a guy's putting his dick in your ass, you don't know where he's going to go next. That's when girls kind of tighten up, you know?"

Slam in the ham: If there is a crappy Belladonna scene, we've not seen it. Having made her baseball bat debut in *No Limits 2*, she's since made home runs with other bats, notably in *Belladonna: The ConnASSeur*. For more conventional scenes (ie; involving knobs), try *Pirates 2*, *Bella Loves Jenna*, *Fashionistas*, her *Dark Meat* series, and the unbeatable *Cock Happy* series, in which our heroine does all the dirty work in every scene.

BRYNN TYLER

From the mouths of babes: Brynn isn't just one of the most fun-loving new starlets in Porn Valley, she's also one of the most cock-crazy. And, no, we won't tell you which performer she's talking about here: "I dated one of the smallest guys in the industry and it didn't affect me at all," Brynn says. "The sex was still good, it didn't bother me. On camera, size is cool, but off camera, it doesn't make any difference, and anything above nine inches is too big. Most girls' vaginas are only five inches deep. I heard that on *Sex and the City*, and I believe everything that's on that show. It is embarrassing if the guy is falling out of you – you're like, 'Is my vagina loose?' So I don't want it that small, so I feel like I have a loose vagina! If my vagina isn't gripping the shit out of it, it's not good."

Slam in the ham: While still relatively new to the jizz biz, she's appeared in some big-time films, including *Throat: A Cautionary Tale*, and took the lead role as Chrissy in the number one smash *Not Three's Company XXX*. She can also be seen getting boned in *Schoolgirl POV* and *Keepin' It Fresh*.

HILLARY SCOTT

From the mouths of babes: Hillary has certainly established herself as one of the queens of porn, winning AVN's Performer of the Year and Best Actress awards in 2007, and then signing a five-year deal with Sex-Z Pictures worth a million dollars. Still, despite the hundreds of scenes, a mantle packed with trophies, and a truckload of dough, she hasn't forgotten the common man. "I'm fine with average," Hillary says. "The majority of the boyfriends I've had have been average except for one obscenely large one, which was awesome. I'm fine with average, but I can't do really little, it just doesn't do anything for my vagina – it can't reach the spot that it needs to reach."

Slam in the ham: If you haven't enjoyed the Hillary Scott experience yet, it's time to catch up. Buy or rent *Corruption*, *Icon*, *Dark Side*, *Anal Princess Diaries*, volumes 2 thru 4 of the *Britney Rears* series and – so many great Hillary movies, so little time! – *Deeper 3* and *Hard Candy 2*. That's for starters…

Next month: We get out the trusty *MensWorld* tape measure and speak to five more cock lovin' cuties…

Belladonna: Swing batter swing!

Ashlynn: "I don't want to leave anyone out!"

MODEL BEHAVIOUR

OUR *MENSWORLD* MODELS ARE A RACY LOT, AND WHEN THEY'RE NOT STRIPPING OFF FOR US, THEY'RE USUALLY UP TO SOME KIND OF MISCHIEF. BUT EXACTLY WHAT SORT OF NAUGHTY SHENANIGANS DO OUR GIRLS GET UP TO, AND WHAT IS A PORN MODEL'S LIFE REALLY LIKE? EACH MONTH ONE OF OUR FAVOURITE BABES TELLS ALL ABOUT THEIR SORDID BEHAVIOUR…

THIS MONTH SUNNY LEONE

PHOTOGRAPHY: HOLLY RANDALL

SUNNY LEONE

Hey boys, I'm Sunny Leone and I do hope you know my work. I kinda hope you've masturbated yourselves to it too, cos I've done a helluva lot of naughty movies over the last few years. I also do feature dancing, which is pretty popular in the States but doesn't seem to be such a big deal over your side of the Atlantic (I used to have an English boyfriend, so I know all about what you guys get up to!).

Basically, feature dancing is where you make special appearances at lapdancing bars so your fans can come and see you in the flesh. A lot of us porn stars do it to make extra cash and to stay in touch with our fan base. And the fans love it cos the girls they're used to jerking themselves off to in movies and magazines are right there in front of them on stage, letting them see everything in the flesh. I have to say, I really like doing it – there's a real rush you get from seeing guys with their eyes out on stalks, staring at your ass. It's great fun making films, but you never get to see the effect you're having on the men who watch them. When I'm out in the clubs, I know EXACLTY the effect I'm having. And it makes my pussy very, very wet!

So this one time I was doing this show in a classy little place downtown in LA, and I was about to take to the stage when I saw this guy who looked familiar. I suddenly realised I'd seen him in the DVD I was watching just the night before – he was a pretty good actor and seems to be getting a few high profile parts, but not so famous that you'd know his name (I didn't, I had to ask). Anyway, I bounded over to this guy and told him I'd loved him in the film, and he got all shy with me, said he couldn't believe that someone as hot as me would know who he was! Ha, I had to laugh.

When you do porn, sometimes your self-esteem can take a little beating when people who have a problem with it are mean to you, but here was this up and coming movie star basically putting me on a pedestal. He was happy to admit he was a fan, although he made sure to remind me not to mention his name anywhere – he could get into a lot of trouble with his

agent for hanging around strip clubs, especially considering what happened between us.

So I did my routine on the stage and made sure to give my new buddy the best view of everything. I kept smiling at him as I writhed on the pole, and when I finally got my panties off and ran my hand over my pussy, I could feel how wet it was at the thought of him staring at me like that. He looked pretty bashful, but he didn't take his eyes off me for the whole dance, and as soon as I was done I told him to follow me and I took him into a private booth.

Now, we all know the rules about touching at these kinds of establishment. I, however, choose to make my own rules depending on the guy I'm dancing for. And I wanted this guy inside me, right there and then.

I sat him on the chair and made sure no-one was peeking through the curtain, then set about giving him the lapdance of his life. He was totally awed by the situation, speechless even, so I did all the talking. As I rubbed my titties in his face, I whispered in his ear how horny he was making me, and how badly I wanted to feel his hard cock inside me.

I ground my pussy against the crotch of his jeans and felt his hardness, then told him to suck on my nipples as I whipped off my bikini top and squeezed my boobs together for him. He licked and sucked my tits while I reached down and felt the hard lump in his pants. He let out a gasp as I quickly undid his flies and pulled his dick out, feeling its warmth in my hands. He sure wasn't expecting that!

He looked in my eyes with a touch of panic and I told him not to worry, that I only do this with VERY special clients, and that no-one would find out. Then I pulled my panties down and straddled him, his cock filling my soaking wet pussy with one thrust. Yeah, this was the lapdance of his life alright!

I rode my little movie star and kept my tits pressed in his mouth while my clit rubbed against his belt buckle. It doesn't take too much to make me orgasm, so we were only riding for a few minutes before I felt the swells ripple through me. I held him tight

HE MOANED OUT LOUD AS I DEEP THROATED HIS DICK and bucked hard on him, kissing him passionately as he made me climax. He whispered in my ear that he wasn't too far off coming himself, so I slid off his cock and knelt before him, making sure to look long and deep into his eyes as I took the whole length of his delicious pussy juice-soaked shaft into my mouth.

He moaned out loud as I deep throated his dick, swirling my tongue around his tight balls as I did so. He kept whispering "Jesus!" as I worked him, and I made sure not to do it too fast cos I could see how close to spurting he was. And as much as I wanted a mouthful of his cum, I also wanted this experience to last a little while.

After sucking him for a few minutes and bringing him close to the edge, I stood up, turned around and gave him a good look at my peachy butt as I reversed my pussy onto his dick and sat in his lap. I bounced up and down on his length, hearing the slurping sound as my pussy squished around on that lovely hard-on.

I love fucking reverse-cowgirl, and my guess was so did my buddy because he started calling out that he was going to cum. I didn't want to make the private room all messy (and, like I said, I fancied a mouthful of the stuff) so I jumped off his dick and took it back into my mouth at the exact moment he started spraying hot, white sperm. I drank it all down, making sure he got a good view of it all over my tongue and lips, then licked myself clean.

This all took place in the space of five minutes. By the time he was zipped up, there was another girl with a client waiting to come in and use the room. I told my new pal I'd be looking out for his new movie, and promised I wouldn't tell anyone what we'd done. I just really hope he isn't a *MensWorld* reader!

I JUMPED OFF HIS DICK AND TOOK IT BACK IN MY MOUTH

LILLIAN

PHOTOGRAPHY: DDF

The couch featured in these images is quite possibly the worst we've ever seen on the pages of *MensWorld*. Indeed, we think it looks like something that you might find in a skip, but the photographer insisted that it was 'retro-cool'. Understandably, Lillian was still worried about getting naked on its dowdy upholstery.

"Have you got something that hasn't been dragged from the tip?" Lillian asked nervously as she surveyed its dull brownness. "I'm worried that things might started crawling out of it when I lie down."

"It's brand new," the snapper argued, obviously offended. "I paid £329.99 in the DFS Bank Holiday sale!"

With his reassurance, Lillian finally agreed to pose on the 70s eyesore, and it's a testament to her all round sexiness that she managed to take our minds off the sofa, with most of us focusing on her pert tits and peachy bottom.

Although interestingly, while she was jiggling around and playing with her hairy pussy, a plastic fork, half a Peperami and a sliver of kebab meat did pop up from behind one of the cushions, suggesting the photographer either has a terrible diet or might not have been telling us the truth…

against my chest. I asked her to let me play with it, and soon she was arse-skyward over a footstool. Her slit was moist and tempting, but for now I just slipped my length between those creamy buns and squashed them around it. My balls bumped up against her shaven lips so I took them in one hand, working them up against her smooth flesh. There was a time I hated tattoos on girls. Now I just wanted to spurt all over the ink on her back.

It was a shame we didn't have time to do that and everything else I wanted, and she was begging for cock now, sorely in need of a screwing. I stroked the rim of her twat with the very tips of my fingers, then nudged inside of her. I started to thrust, built up a rhythm, but it wasn't quite doing it for Ophelia. "I'm taking your dick, not fucking you," she said. Same difference to me, but I let her reposition us sitting on the couch, her sat on my lap.

Okay, I have to admit it did feel even better with Ophelia's arse bearing down on my cock, her cheeks spreading against my body. I fucked upward and she ground down, clenched and rose, then sunk deep again. My fingers were on her nipples, flicking her rings as her tits bounced freely. She was screaming, totally uninhibited, then as her pussy began to orgasm, enclosing my shaft, she told me to cum.

It's not something a man can usually do on command, but it only took one thrust before my jizz blasted out, deep in her pussy. And I suppose I was totally under her spell, because when she told me to stay hard and stick my dick in her arse, I found I was able to do that too…

FRANK 'N' SQUIRTER!

When Frank goes down on me, it's like pussy worship. Last time, he made dinner for me, just one light course and plenty of dirty talk. Then, for dessert, he ate me out, laying me back and chowing down for over an hour. I just sprawled there, legs wide, sipping champagne as his tongue played over my folds. By the time he began to suck on my clit I was so sensitive I could hardly handle it. I humped against his mouth, hands squeezing my own tits, and came, the juices running down his chin as his tongue flicked over my nub.

He brought me to climax after climax with his tongue and fingers, but I wanted his cock so badly. How the hell he stayed hard for so long, I don't really know – I thought he'd be ready to blow when I finally touched him. But he took plenty of deep sucking, straddling my head with his balls dragging over my face as I blew him.

He'd saved up quite a load for me – said he hadn't wanked off for a couple of days before. His nuts were full to the brim and when he jizzed it ran all over my tongue. That's the one time he lost control, dick thrusting down into my throat as it all siphoned out. Afterwards, he fucked me long and slow.

I woke in the early hours, feeling horny again. I reached for Frank's cock, then hesitated. Instead, I got my vibrator and went into the bathroom. I had one leg up on the sink unit, laying my pussy open as I banged it with the full length of my toy, eyes shut and mind focused on

the throbbing deep inside of me. Then, when I opened them again, I saw Frank in the mirror, standing behind me. I felt guilty, then tried to explain that I wanted a quick fix, a hard, fast pounding. "Okay," he said calmly, then took the vibrator from my hole, swiping the shaft over my mouth for me to lick. "Suck on it," he told me, then slammed his dick into my snatch.

I barely had time to catch my breath before he was fucking me hard, mashing me up against the sink. He checked himself, then pulled me backward, both feet on the floor now, before bending me over, pressing down so my tits flattened against the cool marble. I could still see us both reflected in the mirror, so I caught his eye, spit out the toy and told him to fuck me, as hard as he could.

He slammed inside of me, lifting me up on tiptoe, then jackhammered in and out, cock churning my juices. He looked like he was lost in fucking me, trying to hold back. Then he caught my eye in the mirror, and reached around to frig my clit, sending me over the brink.

I thought he'd cum but he pulled out instead, and spun me around, still bent forward. He had me close my mouth around his dick, right down to the root, and skim off my juices with one single suck. Then he turned me around again.

He fetched some lube, then smeared it on my bumhole. He probed inside of my arse with one finger, then two, then I felt my vibrator sink in, teasing me open. I breathed in deep as his cock bumped up into position, gasping as it penetrated me to the hilt. To my relief, he took it slow this time too. Then I began to wiggle my arse against him, grinding on and off him. "Harder," I said, and the moment he started to frig my clit again, the pounding in my bum just powered up my orgasm. I came over and over and again, barely a few seconds between each one, till my body started to shiver. Then Frank thrust in hard, and spunked in my arse.

I do appreciate a long, slow licking and fucking, but now Frank knows I like a serious pounding, too – in either hole. And he's a pretty obliging bloke!

REC2

E1 Entertainment, £15.99

I must confess that I'm a total lightweight when it comes to horror films, and so it was that *REC*, a suspense-filled low-budget shocker lauded for being one of the scariest movies of recent times, somewhat inevitably had me bloody terrified when I reviewed it back in 2007.

Shot in a shaky hand-held cam style like The Blair Witch Project and Cloverfield, the flick followed a Spanish TV Crew who were supposed to be shadowing the local fire service on their night shift but ended up quarantined in a tower block rife with a virulent disease that turns the residents into bloodthirsty savages.

I found *REC* to be uncomfortably jumpy, frightening, edge-of-the-seat stuff, and far more effective than its aforementioned 'faux documentary style' predecessors, and frankly I was dreading having to watch the sequel.

And I was right to, because it's just as scary, with the story following on seamlessly from where the first movie left off and continuing to deliver exactly the same kind of claustrophobic, cloying terror. Brill.

Sweet Karma

Anchor Bay Entertainment, £17.99

Revenge flicks where a sexy woman uses her feminine wiles to wreak vengeance on a bunch of evil men who have in some way wronged her are hardly anything new, and when I saw the gun-toting lingerie-clad girl on the cover of *Sweet Karma*, I expected just another gratuitous rehash in a genre already saturated with dodgy flicks. Thankfully, this movie is much, much better than that.

The action surrounds a young, mute Russian woman called Karma Balint whose sister, Anna, jets off to Toronto to become a housemaid and ends up being found dead in the woods, the apparent victim of a mob execution. Determined to discover the truth, Karma winds up following a trail of evidence that leads her through the city's strip joints, lap-dancing clubs and call-girl operations, places where she comes face-to-face with some of the most vicious and deadly elements of Toronto's criminal underworld – her sister's killers.

Although the movie is violent and contains plenty of the expected sex and nudity, *Sweet Karma* also features some great performances and a compelling storyline.

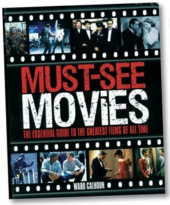
Must-See Movies

Carlton, £14.99

Compiling a book based around the simple concept of listing movies you've really enjoyed and writing a few bits and bobs about them seems a bit of a tenuous business, as you risk people leafing through said book and remarking: 'That one was shit… that's too obvious… thought that was boring… why do I need a book full of someone else's hackneyed film tips?"

And that was pretty much my initial reaction when I picked up Ward Calhoun's *Must-See Movies*, an 'essential guide' that sees fit to include the likes of *Men in Black*, *The Matrix* and *Forrest Gump* on its pages; films that all left me wishing I could somehow get the time back and use it to do something more useful like put the bins out or shove a hairdryer up my arse. But then I had a rethink. After all, films are just a matter of taste. Millions were charmed by that most loveable of all fat-headed simpletons, Forrest Gump, after all.

For people who have hardly seen any good films ever, watching all the flicks in this guide will take you on an incredible journey, but if you know your movies there's nothing new here.



Monogamy

Lovehoney.co.uk, £23.99

Without trying to sound like some kind of patronising 'love guru', when you're in a relationship it's important that you regularly make the effort to spend quality time with your partner. This could be anything from preparing the evening meal together, asking them about their day at work (and listening), sitting down to watch a romantic movie or simply enjoying a good, hard shag – it doesn't matter as long as it's something that will help you remain close.

Another idea could be to play Monogamy every now and again, a sexy board game designed to transform a quiet evening in into a night of boozy sex-fuelled debauchery, and all you need is your partner, a bottle of plonk and some whipped cream.

Designed purely to help put pleasure into a relationship, Monogamy features three levels – Intimate, Passionate and Steamy – and four batches of 'his and her' cards asking you questions about your other half, such as 'What do you like most about them' or 'What are you most proud of about your partner', and moving onto requests for you to do naughtier and more physical things together as you lap the board with your counters. Everyone's a winner, as they say, and it's much better than watching *Antiques Master*.

Bad Girls 4 **Digital Playground**

DIGITAL PLAYGROUND
As bad ass you get!
BAD GIRLS 4

Featuring six filthy harlots performing in harder scenes than you might normally expect from a Digital Playground disc, *Bad Girls 4* is a film for those who want to see gorgeous lasses from the upper echelons of the adult industry getting fucked with even more gusto than usual.

The Pride of Sussex, Carmel Moore, is up first, and initially she doesn't look like a 'bad girl' because she'd rather sleep than take Scott Nails' shaft between her plump lips. However, he manages to wake her up with a bit of oral and the curvy Brit-babe soon comes round, bouncing around enthusiastically on his cock before catching his load in her mouth.

Scott returns for scene two, taking on not one but two babes this time in big-breasted duo Angelina Valentine and Mason Moore. They share his cock and cum in a seriously sexy scene, and by some miracle he manages to return for a third instalment, although even the most exhausted of cocks would easily be revived by Nikki Benz – particularly when she's clad in fishnets and wanking it with her tits.

After chesty blonde Andi Anderson has finally finished Scott Nails off once and for all, the gorgeous Kagney Linn Karter closes a fine flick by straddling Erik Everhard's cock and ultimately ending with his spunk on her face. Recommended.

Aletta's Amazing Big Boobs
Private

Needless to say, if you don't like raven-haired eurobabes with big fake tits then there's probably no point in you reading on, and there's definitely no point in you buying this movie, unless you really enjoy wasting your hard-earned money, of course.

However, those of you who love the idea of seeing a very hot and horny chesty stunner frequently rubbing her tits suggestively and getting fucked in a variety of different scenarios will quite possibly find in this movie something akin to a wanking paradise.

Whether it be in tight vest top and short denim skirt, clad as a very sexy secretary, or taking her car for a service in an outfit that can only be described as 'highly provocative amongst mechanics', Aletta Ocean looks every bit the curvaceous temptress, but there's much more to this girl than a fine rack and an hourglass figure.

She takes cock and gets lezzy likes it's a hobby of choice, and seeing her amazing big boobs bounce around as she gets double-poled by a couple of studs is truly a sight to behold.

However, our personal highlight was Aletta's sensuous sapphic moments with fellow babe Alexa, which made for a nice break from the thrusting cocksmen.

Put simply, this is baptastic fun for fake tit fans.

4 HOURS!
BARNYARD Babes 2
15 Raunchy Rolls in the Hay!
starring AUSTYN MOORE

Barnyard Babes 2
Adam & Eve

If you've ever wondered what might happen if a group of pornstars and cocksmen were let loose on farm with the instruction to milk, plough, ride and roll around in the hay until they were completely satisfied, then wonder no more, because Adam and Eve have engineered this situation and captured all the results on film.

What ensues is pretty much as you may or may not have imagined, and the action kicks off with the rather cockily named Dale Da Bone pouring milk all over leggy blonde Briana Banks. She gets a taste for all things full fat, and Dale obliges doggy-style in the barn.

It's a decent opening scene, and one which ploughs the furrow for the rich harvest of fucking to come, the highlights of which include hot-bodied babe Ashley Long sporting cowboy boots and getting shagged on a swing, perky-titted cutie Austyn Moore showing off her horse-riding skills before jockeying up and down on Evan Stone, and Chloe wanking herself off in a tin bath.

Featuring a full four hours of agricultural mayhem and a cast that can only be described as the cream of the current hardcore crop, *Barnyard Babes 2* is farmyard filth at its finest.

FRIENDSOFIRONY.COM

Signs telling you what to do can often be very annoying and stupid. We've got one here in the kitchen here at *MensWorld* asking us to clean up after ourselves because our mums don't work here. I mean, like I don't already know that my mum doesn't work here. She lives up north for pete's sake, it would be a 450 mile round commute! And as if we're going to clean up after ourselves, what do they think we are, girls? Honestly...

> "A COMPENDIUM OF SIGNAGE MAYHEM"

Anyway, *Friendsofirony.com* deals with the very simple concept of stupid signs that make no sense – for example the one telling people to keep off the public footpath – and it's a simple idea that in many instances is funny. Whether the examples are always ironic is subject to debate, but I guess the only thing that matters is that this compendium of signage mayhem will make you laugh, and as such must be worth at least 10 minutes of your time. Do it at work and you'll even be getting paid for it. Mirth and money – double bubble! But watch out for the boss...

HEDIDWHAT/SHEDIDWHAT.COM

If there's one thing women do really well apart from washing and ironing, it's bitching about their boyfriends and husbands. Whether it's forgetting their anniversary, constantly coming home pissed, doing fuck all around the house or weeing on the toilet seat, girls always seem to find something to gripe about when it comes to their nearest and dearest. *Hedidwhat.com* provides a handy place where unhappy women can unload all their partner related problems, and the real beauty of this for us blokes is that we can log on and peruse the entries for our general amusement. The next time your missus starts nagging, at least you'll know you're not the only one, and if you feel like having a moan back without repercussion you can always have your say at the male version: *shedidwhat.com*.

ILOVETOCOMPLAIN.COM

We all feel the need to cut loose every once in a while and get things off our chest, and if for whatever reason you don't feel up to taking on the thing that's bothering you face to face – be it your boss, partner, parents or pet donkey – you can always vent your spleen at *ilovetocomplain.com*.

Naturally, the beauty of sites like this is that those who haven't got anything to go mental about can revel shamelessly in other people's volleys, schadenfreude to the fore, and although there's a lot of serious stuff to sift through there are a lot of humorously self-indulgent 'rattle out of pram' tirades here.

Split into three sections, 'Life', 'Work' and 'School', *ilovetocomplain.com* is a place where people go to angrily empty their minds on these topics without filter or spellcheck.

BADHAP.COM

Everyone has bad days and suffers crap things happening to them, but sometimes it's difficult to appreciate the fact that the people you walk past on the street might be having just as shit a time of it as you are.

However, after just a few minutes spent on *badhap.com* you'll quickly realise that you can drop the persecution complex and stop being so bloody self-centred – rubbish things are happening to our fellow human beings all the time. From countless job complaints about dickhead colleagues and grumpy bosses to regrets about the drunken pukey antics of the night before, right the way through to crappy happenings such as unfair dumpings and housemates behaving like wankers, *badhap.com* documents a vast array of daily grumps and groans. Pissed off? Think the world is shit? You're never the only one...

THEATREMONKEY.CO.UK

If you're off for a weekend in London and keen to take in a show, then it can be very easy to get ripped off. Countless websites masquerading as official outlets flog them at often ridiculously inflated prices, and even if you buy from official sources you might still pay over the going rate and get crap seats to boot. However, if you do your homework at *theatremonkey.co.uk* these pitfalls can be easily avoided. A brilliant resource jam-packed with comprehensive information on nearly every major theatre in the capital, the website boasts detailed colour-coded seating plans telling you which seats are value for money and which are a no-no. Plus there's reports from theatregoers as to the quality of views and legroom and links to current ticket offers, not to mention a section featuring all the latest news from Theatreland.

ASHLYNN

PHOTOGRAPHY: HICKS PHOTO

It's not easy trying to write something coherent about gorgeous yankee doodle pornstar Ashlynn Brooke whilst looking at the underside of her lovely tits and a close-up of those sexy satin panties. I must confess that I keep getting a little bit distracted, so if the words in this box are even more confused and even less amusing than usual, I apologise in advance.

Hailing from Oklahoma, the official home of 'surreys with the fringes on top', in her four years in the industry this perky pocket-sized porner has starred in almost 100 mucky movies and made several well-received appearances in this very magazine.

It seems amazing – almost unlikely – that the petite little cutie apparently worked as a car saleswoman before she made her name in the adult industry, although admittedly if she sported outfits like the one in this shoot on the forecourt then Ashlynn would probably be able to sell any motor to any bloke for any price, even if it was a rusting old banger with three wheels and no roof.

Just think, if she'd decided to stick to flogging cars then we wouldn't be looking at her fantastic body right now at this very moment. And the boss wouldn't be stood over my shoulder asking me why it's taken me five hours to write these words.

Pub Bore

Nursing half a pint of best bitter in the deepest, darkest recesses of the magazine, it's our self-opinionated beer-addled font of all knowledge…

Current Affairs Corner

Dave the Landlord had that BBC 24 channel on the other day, and I think they must've been struggling for news because they were talking about aliens. Now sometimes, usually when I've had a few more than my normal two and a half pints of bitter, I'll look up at the stars and wonder if there's anything on Mars or whatever looking down at me. To be fair, if there were any aliens spying on our town they'd most likely have their special telescopes trained on The Plough down the road, as it's normally busier than here and there'd be more people to look at – probably a load of half-dressed tarts, too!

But that's besides the point. They were saying on the news that aliens might not be little green men with big heads after all, and if they do exist we might not even be able to see them or talk to them properly.

Now if that's the case, what's the bloody point of finding them in the first place? We won't be able to chat on to them about the telly or what's been happening in the papers, and they certainly won't get their round in! Bloody useless.

Do you have Sky in here?
THE PLOUGH

Session Story

You lot probably think that all I do with my days is come here, to the pub, and sit nursing a half, boring anyone within earshot, but there's much more to my life than that. Some mornings I've got certain errands to run, such as picking up a packet of crumpets and a pint of milk from the Londis on the corner, posting a letter of complaint to my MP about the amount of litter and dog muck on the pavements, or collecting my pension from the Post Office. I can get quite busy, so the last thing I need is one of those charity people bothering me. Do you know the ones I'm on about? Honestly, they've got them right up the High Street now, waiting to pounce on me with their clipboards. I was stuck with one feller for 25 minutes the other week while he told me about African elephants, and I was actually interested until he asked me for a donation of £2 a month. Then I buggered off sharpish, I can tell you!

Now, when they give me that cheery 'hello' of theirs I just look them in the eye and tell them to "piss off!" Do they not realise that I've got better things to spend my money on? Keeping this pub afloat, for example!

Snug Jokes

"Did you hear about the bloke who was sacked from the dodgems?
He sued for fun-fair dismissal."

"A man's pregnant wife starts having contractions, so he phones the hospital and says: 'Send an ambulance, my wife is in labour!'
The nurse answers: 'Calm down. Is this her first child?'
The man replies: 'No. This is her husband'."

"A man asks his wife: 'What would you do if I won the Lotto?'
She replies: 'I'd take half then leave you!'
The hubby answers: 'Well, I got three numbers – there's a fiver, now clear off!'"

Alcoholic Anecdotes

"Frank Sinatra once said that he feels sorry for people who don't drink because when they wake up in the morning that's as good as they're going to feel all day. Wise words – I always feel terrible in the morning, although saying that I don't think drinking in here every day helps!"

Dave the Landlord has started doing food, and when I have my lunch and tea in here it always reminds me of a quote from Churchill: 'My rule of life prescribes as an absolutely sacred rite the drinking of alcohol before, after and if need be during all meals and in the intervals between them'. If it was good enough for Winnie, it's good enough for me!

Useless Facts*

(*Not Guaranteed Facts)

"A ten-gallon hat barely holds 6 pints. About as much as I drink on a Saturday night! And I don't mean ten gallons…"

"13% of Americans actually believe that some parts of the moon are made of cheese. Cheese! Would you credit it?"

"Women speak about 7000 words a day and men average just over 2000. And from what I remember of the wife before she buggered off with the postman eight years ago, I can well believe it!"
